

# Handtevy Pre-Hospital Pediatric Instructor Course Train-the-Trainer

Friday September 10<sup>th</sup>, 2021  
0800 – 1630, Ankeny FD (120 NW Ash Dr.)

## **Course Overview**

The *Handtevy Pre-Hospital Pediatric Instructor Course* is an 8-hour live lecture and hands-on course that is intended to certify instructors to teach the Handtevy Pre-Hospital Pediatric Provider Course. The course uses the basic tenets of ACLS training as the foundation while still covering the basic pediatric ALS principles and nuances. The course focuses on the skills needed to rapidly and accurately treat the sick and injured pediatric patient and is intended to be used with the Handtevy Pediatric System.

## **Course Pre-Requisites**

- Instructor candidates must be an advanced life support instructor (ACLS OR equivalent)
- Instructor candidates must have at least 3 years of clinical experience OR hold the position of Field Training Officer (FTO) or equivalent.
- Instructor candidates must hold a current ACLS provider card.
- Instructor candidates must be recommended/sponsored by a member CIEMSD Organization

## **Course Cost**

- CIEMSD is sponsoring the course and providing the Handtevy Team.
- Cost for each Instructor Candidate is \$295 for the initial class/certification.
- Instructors will have access to all Handtevy Course Materials and the ability to train/certify students at no additional cost.
- Instructors will be required to attend continuing education and re-certify every two years at a cost of \$195.

## **To Register**

CIEMSD.org

<https://ciemsd.org/handtevy/>.

Complete the registration
