

Handtevy Pre-Hospital Pediatric Provider Course (8-hours)

**Tuesday July 12th and Thursday July 14th
0800 – 1630, Ankeny FD (120 NW Ash Dr.)**

Course Overview

The ***Handtevy Pre-Hospital Pediatric Provider Course*** is an 8-hour live lecture and hands-on course that is intended to instruct providers in the science and use of the Handtevy Pre-Hospital Pediatric System. The course uses the basic tenets of ACLS training as the foundation while still covering the basic pediatric ALS principles and nuances. The course focuses on the skills needed to rapidly and accurately treat the sick and injured pediatric patient and is intended to be used with the Handtevy Pediatric System.

Course Content

- Key principles in pediatric advanced life support geared towards pre-hospital providers
- Systematic approach to pediatric assessment with a scientific explanation of the difficulties associated with pediatric care
- Overcoming the emotional hurdles associated with pre-hospital pediatric care
- Recognition and management of respiratory, shock and cardiac emergencies
- Medication principles including dosing, administration, and error prevention
- Effective communication as a member and leader of a pre-hospital team

Course Pre-Requisites

Provider candidates must be currently certified Paramedics and have advanced life support certification (ACLS or equivalent) prior to registration.

Course Cost

Course cost is \$50 per person, payable through CIEMSD. Payment includes all course materials, lunch, and 8.0 CE's in Pediatrics.
