

Central Iowa Fire/EMS Testing Consortium

We're Hiring!

The Central Iowa Fire/EMS Testing Consortium (CIFETC) represents eleven Fire/EMS agencies in the Des Moines metro area of Central Iowa, and partners with the DMACC Fire Science Program. Its purpose is to standardize hiring testing to increase the pool of quality candidates available to our member departments. The Des Moines metro area is the fastest growing metro area by percentage in the Midwest over the past ten years, and US News ranks the Des Moines metro as the 14th best place to live in the United States.

All eleven departments in the CIFETC are committed to adding staff in 2022-23.

- Ten are currently accepting applications
- Eight are currently hiring
- Four are currently hiring for full-time positions
- Six are currently hiring for part-time positions

Hourly pay for departments currently hiring part-time personnel starts at \$17.20/hr for FF/EMT's to \$19.50 for FF/Paramedics and can range as high as \$25.34.

Entry pay for full-time positions starts at \$50,100 for FF/EMT's to \$52,714 for FF/Paramedics and can range as high as \$64,384, plus overtime!

Opportunities for tuition assistance for paramedic school are also available.
